# Maggie Finger Puppets

- 1) Color and cut out your finger puppets. 2) Wrap the bottom strip around your finger and tape in place. 3) Bring Maggie with you wherever you go!

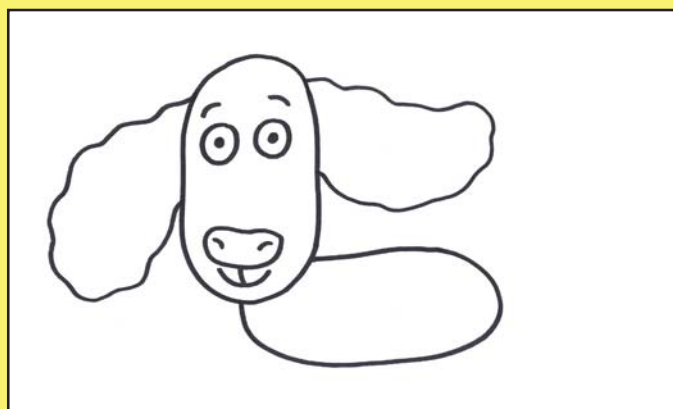

# Draw Your Own Maggie

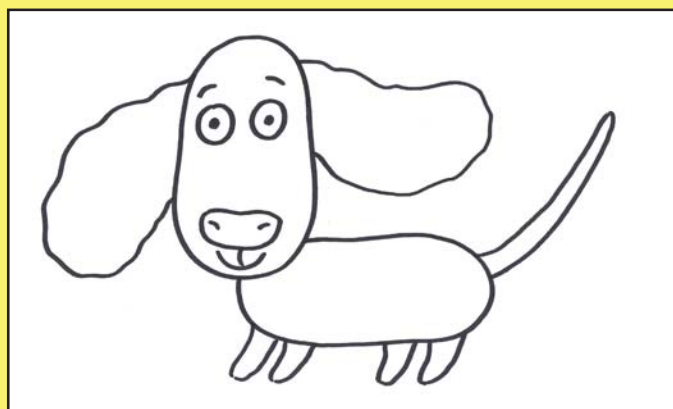

1) Draw two oblong shapes on a piece of paper.

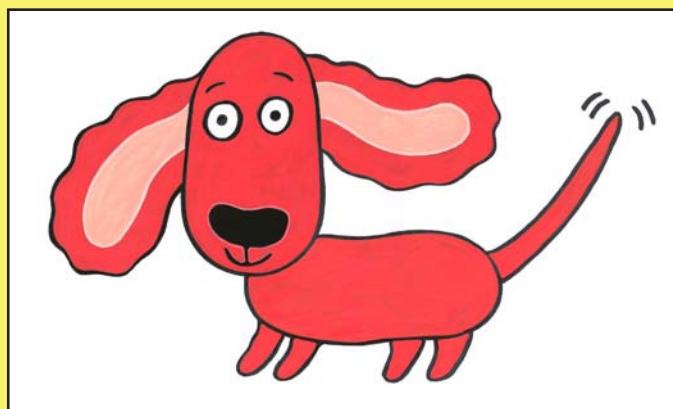

2) Next, draw Maggie's eyes, nose, mouth, and ears.

3) Then draw Maggie's four feet and tail.

4) And finally, color your Maggie and make her tail "move" by drawing two lines on each side of her tail.
