

Get JoJo Ready!

In *JoJo's First Day Jitters*, Nancy tries to show her little sister all of the fabulousness and fun she's going to have at preschool, but JoJo is still nervous. Help Nancy get JoJo ready for her first day. Think of what JoJo will need for school, like a lunchbox, backpack, and a *très magnifique* ensemble! Then help JoJo pick new accessories, sparkles, and bows; just like Fancy Nancy would!
