THE ASTONISHING SECRET OF AWESOME MAN

by Michael Chabon
illustrated by Jake Parker

Awesome Man wears a stylin' letter A on his chest, and now you can, too!

Fill in the blank line with your name, cut along the dotted line, and use masking tape to stick the *Awesome A* on your shirt. You're now officially AWESOME.

Safety Note: Even if you're a superhero, kids should always ask permission from an adult before using scissors.
