# PEANUTS AND PRETZELS

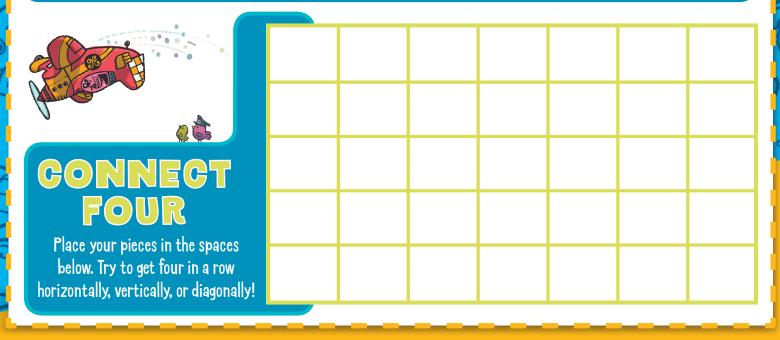

When the flight attendant asks, "Peanuts or pretzels?" you say, "Both!" With your seatmate, play tic-tac-toe, connect four, and dots using the game boards below. One of you is peanuts and the other is pretzels! **SAFETY NOTE:** Be careful about allergies! Peanuts and pretzels are traditionally served on planes, but these games may also be played with coins, candies, or any other small items.

What you'll need: 
Peanuts 
Pretzels 
Crayons or markers

With a crayon or marker, take turns connecting two dots. If your connection completes a small box, put your game piece in the box. The player with the most boxes filled wins!
