HAROLD *and the* PURPLE CRAYON

Harold needed a doorway to adventure so he drew a door.
Connect the dots!

HAROLD *and the* PURPLE CRAYON

Harold couldn't see much under the water, so he drew a coral reef to explore. "Let's fill it with fish!" Help Harold fill in the coral reef with fun things to look at by tracing the dashed lines and drawing anything else you can imagine!

HAROLD *and the* PURPLE CRAYON

To face a dragon, Harold knew, one must be a knight! So he drew himself a suit of armor. Trace the dashed lines to reveal Harold's suit of armor.
Decorate it any way you'd like!

HAROLD *and the* PURPLE CRAYON

Harold flew through the sky until suddenly the wind picked up and Harold started to fall. "Help!" Draw a way to get to the ground safely—a parachute, a trampoline, a slide, anything you can imagine!
