Dear Awesome Angelfish,

Clark the Shark lives life loudly—except when it comes to girls! In *Clark the Shark Takes Heart*, Anna Angelfish has a birthday coming up and Clark wants to find the perfect present for her to show how he feels. But making a big impression using ZIP, BANG, and BOOM might not be the best way! Find out how Clark figures out that when it comes to showing you care, something thoughtful and small could be the best of all.

In this activity booklet are lots of activities for showing your loved ones you care!
