

CREATURE KEEPERS

How many of history's best-known mythical beasts can you name? Do you know where they are from? Learn more about these delightful (and not-so-delightful) creatures and read all about those sworn to protect them in the CREATURE KEEPERS series from Peter Nelson and Rohitash Rao.

INSTRUCTIONS: Cut along the dotted lines below to make your own Creature Keepers trading cards.
 Safety Note: All creatures—and readers—should ask permission from an adult before using scissors.
