

# Roxbury Park Dog Club

This adorable series about friendship, family, and dogs is perfect for kids who are just starting to read independently.

## THE FRIENDSHIP-WHISPERERS

If there's one thing Kim, Sasha, Taylor, and Brianna have learned working at the Roxbury Park Dog Club, it's that their friendship is stronger than anything life throws at them, as long as they keep these tips in mind:

### 1. THE MORE THE MERRIER

Don't be afraid to welcome new friends to your group—especially if someone is new in town.

### 2. OFFER TO HELP

Offer a helping hand if your friends are struggling and let them know you're there if they need you.

### 3. VOICE YOUR CONCERNS

Even best friends argue. Think before you speak and calmly let your friend know how you feel.

### 4. KNOW WHEN TO APOLOGIZE

Everyone makes mistakes. Know when to apologize, and forgive your friends.

### 5. HAVE FUN!

Most importantly, have fun—because that's what friends are for!
