

# Anyone Can Be Fancy

From FANCY NANCY THE MUSICAL  
Lyrics by SUSAN DILALLO and DANNY ABOSCH  
Music by DANNY ABOSCH

Make sure you always wear a "tiara,"  
That's the fancy kind of crown that's in my hair.  
You'll agree it looks "exquisite" with my "wardrobe."  
That's fancy for "looks great with what I wear."

Always have a "parasol" handy,  
You'll look more "glamorous" and "gorgeous" right away.  
And since everything that's French is extra fancy,  
Wear a special kind of hat called a "beret"!

Yes, anyone can be fancy!  
Being elegant is what I love to do.  
So, *suivez-moi!* That means "follow me!"  
And *voilà!* You can be fancy too.

Let's decorate the doorframe with a boa,  
Or maybe shining Christmas lights instead.  
I know!—We'll use this broomstick as your bedpost,  
And hang a royal drape above your bed.

We'll fancy up the furniture with flowers.  
And soon, I know, you'll see just what I mean:  
All it takes is just your own imagination  
To turn a plain room into one fit for a queen!

Yes, anyone can be fancy!  
Being elegant is what we love to do.  
So, *suivez-moi!* That means "follow me!"  
And *voilà!* You can be fancy too.

Use "etiquette" when eating your "refreshments":  
That's fancy for "polite" and "yummy treat."  
Always put a toothpick in your sandwich,  
But don't forget to take it out before you eat!

Say *excusez-moi!* if burping from a "beverage."  
And always raise your pinkie when you drink.  
Using napkins made of cloth is extra fancy!  
Mine is "fuchsia"—that's a fancy purple-pink!

Yes, anyone can be fancy!  
Teaching "elegance" is what I love to do.  
So, *suivez-moi!* That means "follow me!"  
And *voilà!* You can be fancy too.

The world is not just "big," it's "gigantic."  
My teacher says I'm "brilliant," not just "smart."  
A dog's not just a "dog," it's a "canine."  
"Overjoyed" is when you're happy in your heart.

A butterfly's not "pretty," it's "exquisite."  
The fancy word for "thank you" is *merci*!  
You'll love being "posh," not just "fancy."  
That's not a "promise," it's a "guarantee."

Yes, anyone can be fancy!  
Being "elegant" is what we love to do.  
So, *suivez-moi!* That means "follow me!"  
And *voilà!*—

You can be fancy...  
You can be fancy...  
Even you can be fancy too!
