

Kitty

Make your own Kitty mask!

1. Color and decorate your mask.

2. Cut the mask out by cutting along the dotted line with scissors.

3. Cut the eye shapes out by cutting along the dotted lines with scissors.

4. Using the tip of a pen or a pencil, poke little holes in the two places marked ⊗

5. Thread a piece of ribbon or string through the two little holes.

6. Slip the mask on and adjust the string to fit around your head.

7. Ask a friend to help you tie the string.

8. Meow!

Always ask an adult to help when cutting with scissors!
