

GROW YOUR OWN GARDEN

Create your own beautiful backyard garden below! What animals, plants, and insects live there?

GREENWILLOW BOOKS

CREATE YOUR OWN COLLAGE

The illustrations in *The Weedy Garden* are collages, and you can make your very own collage art, too!

SUPPLIES:

- Different kinds of paper
- Glue
- Scissors
- Cardboard or heavy paper to use as the background

HERE'S AN IDEA TO GET YOU STARTED!

Fantastic animals exist in many myths and stories. Cut out pictures of animals (from magazines, printouts, photographs, etc.) and create your own imaginary animals by mixing and matching their heads, bodies, arms, legs, tails, wings, and feet! Where would your creatures live?
